

CURRICULUM VITAE

Ann O. Scheimann, M.D., M.B.A.

The Johns Hopkins University School of Medicine

Signature: _____
Ann O. Scheimann, M. D., M.B.A.

February, 2008
(Date of this version)

Current Appointments:

Assistant Professor of Pediatrics
Division of Pediatric Gastroenterology and Nutrition
Johns Hopkins University School of Medicine

Personal Data:

Address: Division of Pediatric Gastroenterology and Nutrition
Johns Hopkins University School of Medicine
Brady 320: 600 N. Wolfe Street
Baltimore, MD 21287-2631
Phone: (410) 955-8765
Fax: (410) 955-1464
Email: aschein1@jhmi.edu

Education and Training:

B. S., Summa cum Laude, University of Dayton, Dayton, OH	1982-1986
M. D., University of Cincinnati College of Medicine, Cincinnati, OH	1986-1990
M.B.A., Medical Services Management, Johns Hopkins University School of Professional Studies in Business and Education, Baltimore, MD	2001-2005
Internship in Pediatric Medicine, Baylor College of Medicine, Houston, TX	1990-1991
Residency in Pediatric Medicine, Baylor College of Medicine, Houston, TX	1991-1993
Fellowship in Pediatric Gastroenterology, Baylor College of Medicine, Houston, TX	1993-1996

Professional Experience:

Assistant Professor of Pediatrics, Baylor College of Medicine, Division of Pediatric Nutrition and Gastroenterology, Houston, TX	1996- 2000
--	------------

Assistant Professor of Pediatrics, Division of Pediatric Nutrition and Gastroenterology, Johns Hopkins Hospital	2000-present
Assistant Professor of Pediatrics, Kennedy Krieger Institute, Feeding Disorders Program	2000-2003
Secretary of Medical Staff, Kennedy Krieger Institute	2001-2003
Assistant Professor of Pediatrics, Adjunct Faculty, Division of Pediatric Nutrition and Gastroenterology, Baylor College of Medicine	2000-present
Director, Prader-willi Syndrome Clinic, Texas Children's Hospital	2001-present
Director, Weigh Smart™ Pediatric Weight Management Program, Mount Washington Pediatric Hospital	2005-present
Elected Member, Pediatric Clinical Practice Association, Johns Hopkins	2006-present

EXTRAMURAL SPONSORSHIP

GRANTS

Current/Ongoing:

- 2003-2009 NIH DK61713-02
Non-alcoholic fatty liver disease program project grant
15% salary support; total 130,580 including administration costs
Pediatric grant award remained at JHU despite relocation of adult PI to Duke
PI: Anna Mae Diehl, Joel Lavine, Co-Investigator A. Scheimann
- NIH RDCRC U54 R019478
Rare Diseases Center Grant for Prader-willi Syndrome
Five years
PI: Arthur Beaudet, Daniel Driscoll
Co-Investigator A. Scheimann (1% Effort)
- 2006-2008 Grant funded by the Prader-willi Syndrome Association to study mechanisms of hunger and satiety in Prader-willi Syndrome and Obesity
Baylor College of Medicine
PI: W. Klish, Co-Investigator: A. Scheimann (3% effort)
- 2006-2008 KIGS study of Genotropin Effects on Growth in Prader-willi Syndrome
Baylor College of Medicine sponsored by Clinical Professionals
PI: M. Weinrich, Co-Investigator: A. Scheimann (no salary support)
- 2007-2009 Mount Washington Foundation 2 year Grant Award (renewed 2007) to Develop Novel Pediatric Weight Management Center Based upon Group-Visit Model
\$450K/yr; 25% salary support
PI: A. Scheimann

Previous:

- 1993-1995 Awarded Clinical Fellowship Grant, (40,000/year for 2 years)
Cystic Fibrosis Foundation PI: William Klish
- 1996-1999 Co-Investigator in Clinical Trials of Option One PI G. Ferry (1% Effort)
Co-Investigator in Famotidine Pharmacokinetics PI: Larissa Wenning (10,000; 3% effort)
Co-Investigator in Remicade Study- PI: G.Ferry (1% Effort)
Co-Investigator in Prevacid Study– PI: M. Gilger (1% Effort)
- 2001 JHH telethon grant for obesity - no salary support; materials only (10,000)
PI: Ann O. Scheimann.
- 2002 Thomas Wilson Sanitarium Grant for development of dietary brochures for obesity program. (15,000)
PI: Ann O. Scheimann
- 2003 Thomas Wilson Sanitarium Grant for acquisition of indirect calorimetry device for nutrition center (15,000)

PI: A. Scheimann

- 2003-2009 NIH DK61713-02
Non-alcoholic fatty liver disease program project grant
15% salary support; total 130,580 including administration costs
Pediatric grant award remained at JHU despite relocation of adult PI to Duke
PI: Anna Mae Diehl, Joel Lavine, Co-Investigator A. Scheimann
- NIH RDCRC U54 R019478
Rare Diseases Center Grant for Prader-willi Syndrome
Five years
PI: Arthur Beaudet, Daniel Driscoll
Co-Investigator A. Scheimann (1% Effort)
- 2005-2007 Mount Washington Foundation 2 year Grant Award to Develop Novel
Pediatric Weight Management Center Based upon Group-Visit Model
\$450K/yr; 25% salary support
PI: A. Scheimann

Licensure and Certification:

- 1992 Ohio State Medical License (35-064505 S)
1996 Texas State Board of Medical Examiners (J9800)
2000 Maryland State Medical License (d56149)
1986-1991 National Board of Medical Examiners, Parts I, II, III
1994 Board Certification in Pediatric Medicine, American Board of Pediatrics
2001 Recertified
1997 Board Certification in Pediatric Gastroenterology, American Board of Pediatrics
2004 Recertified

Professional Organizations:

- 2002-2003 Childhood Prevention Workgroup, Maryland Department of Health and Mental
Hygiene, 2002
- 2002-present Measures and Assessments Committee, Non Alcoholic Fatty Liver Disease,
National Institutes of Health
Pediatrics Committee, Non Alcoholic Fatty Liver Disease, National Institutes of
Health
- 2005-present Pediatric Nutrition Committee, North American Society for Pediatric
Gastroenterology and Nutrition
- 2006-present Pediatric Specialty Committee, JHH
Pediatric Protocol Review Subcommittee of the JHH GCRC
Elected representative to Pediatric Clinical Practice Association JHH

Reviewer:

2004 -2005	Grant reviewer for Prader-Willi Syndrome Association
2005 -2006	Journal of Pediatric Gastroenterology and Nutrition Digestive Diseases and Sciences
2006-2007	Grant reviewer for Prader-Willi Syndrome Association and North American Society for Pediatric Gastroenterology and Nutrition
2006-2007	American Journal of Medical Genetics International Journal of Obesity Journal of Pediatric Gastroenterology and Nutrition
2007-2008	Grant reviewer for Prader-Willi Syndrome Association and North American Society for Pediatric Gastroenterology and Nutrition Grant Reviewer Federal Earmark American Journal of Medical Genetics Obesity Research International Journal of Obesity Gastroenterology Journal of Pediatrics Journal of Pediatric Gastroenterology and Nutrition Clinical Gastroenterology and Hepatology

Recognition and Honors:

1986	Montgomery County Medical Society Award, University of Dayton Brother Molz Memorial Service Award, University of Dayton Whisman Academic Scholarship to the University of Cincinnati College of Medicine
1988	Bob Swain Service Award, University of Cincinnati College of Medicine
1990	University of Cincinnati College of Medicine Alumni Association Service Award
1997	Honorable Mention, Best Pediatric Grand Rounds Pediatric Gastroesophageal Reflux: Pearls for the Primary Care Physician, Texas Children's Hospital, Houston, TX
1999	Elected to Medical Board and Secretary, American Liver Foundation, Houston, TX
2000	Named to the Scientific Advisory Board for Growth Hormone Therapy in Prader-Willi-Labhart Syndrome
2002	Named to the International Scientific Advisory Board for Growth Hormone Therapy in Prader-Willi-Labhart Syndrome Elected Secretary of the Medical Staff for the Kennedy Krieger Institute and Member of the Medical Executive Committee

Named to National Scientific Advisory Board for the Prader-Willi Syndrome Association

Selected for Membership to the American Association for the Advancement of the Study of Liver Disease

2006 Named Co-Chair for the 2007 National Scientific Meeting for the Prader-Willi Syndrome Association.

2007 Consultant for BCBS Obesity Care Study – Johns Hopkins University

Elected to the International Scientific Advisory Board for the Prader-Willi Syndrome Organization.

Scheimann A, Vivekanadan P, Torbenson M. Prevalence of ABCB11 Mutations Among Children with Cholelithiasis. Accepted as Poster of Distinction to DDW, Washington DC 2007

2008 Weigh Smart™ Program Selected for the State of Maryland Governor's Youth Physical Activity Excellence Award

Invited Talks, Panels and Presentations:

1. Pediatric Hepatology Didactic Series, "Management of Bleeding and Coagulopathy in Patients with Hepatic Disease", Texas Children's Hospital, Houston, TX, August 21, 1996.
2. Pediatric Grand Rounds, Pediatric Gastroesophageal Reflux: Pearls for the Primary Care Practitioner, Texas Children's Hospital, Houston, TX, February 13, 1998. (Honorable Mention-Best Pediatric Grand Rounds).
3. Pediatric Hepatology Didactic Series, Post-Transplant Lymphoproliferative Disorder (PTLD), Texas Children's Hospital, Houston, TX, February 18, 1998.
4. Gulf Coast GI Research Forum Clinical Case Presentation, Clinical Case Presentation: Pediatric Hepatology Puzzler, Clear Lake Conference Center, Clear Lake, TX, June 6, 1998.
5. Pediatric GI Research Conference Series, "Growth Hormone Therapy in Children with Prader-Willi Syndrome", Baltimore, MD, January 2001.
6. Oklahoma Prader-Willi Syndrome Association Conference, invited speaker, "Long-term Impact of Growth Hormone in Children with Prader-Willi Syndrome," Oklahoma City, OK, April 2001.
7. Pediatric Nutrition Student Elective, "Pediatric Obesity," Baltimore, MD, May 2001.
8. Pediatrics for the Practitioner Course, "Childhood Obesity: Weighing in on the New Millennium," Baltimore, MD, September 2001.

9. Health Care Finance Presentation, "One Insurer's Tactic: If You Get Sick Your Rates Go Up," Baltimore, MD, April 2002.
10. Pediatric Grand Rounds, Pediatric Obesity: Weighing in on the New Millennium," Carlisle Regional Hospital, Carlisle, PA, April 2002.
11. Invited speaker, "GI Issues in Prader-Willi Syndrome," Baltimore-Washington Prader-willi Syndrome Association, Columbia, MD, May 2002.
12. Pediatric Nutrition Student Lecture, "Pediatric Obesity," Baltimore, MD, May 2002.
13. Pediatric Endocrinology for the Primary Care Clinician, "Obesity: Causes and Treatments; New Concepts," Baltimore, MD, June 2002.
14. Invited Speaker, Prader-willi Syndrome Association National Convention, "GI Manifestations of Prader-Willi Syndrome: From One End to the Other," Orlando, FL, July 2002.
15. Invited Speaker, "Gastrointestinal Issues in Prader-Willi Syndrome," Prader-Willi Alliance Of New York, 14th Annual Meeting, Albany 4/26/04.
16. Invited speaker, "Childhood Obesity: Weighing in on the New Millenium", Pri-Med conference, Washington DC, November 2002.
17. Pediatric Trends, " Helicobacter pylori gastritis- beyond the bugs,"
18. Invited speaker, "Comprehensive Overview of Pediatric Obesity and Metabolic Syndrome," Baltimore-Washington Pediatric Obesity Symposia, Union Memorial Hospital, Baltimore, MD, May 2004.
19. Invited Speaker, "Childhood Obesity Pearls," Maryland Physician Assistant Association Regional Conference, Baltimore, MD, October 2004.
20. Invited Speaker, "GI issues in Prader-willi Syndrome and Bariatric Surgery," International Prader-Willi Syndrome Research Focus Group, Baltimore, MD, November 2004.
21. Pediatric Grand Rounds, "Childhood Obesity: A Crisis in Healthcare," Johns Hopkins Hospital Baltimore, MD, January 2005.
22. Pediatric Trends, "Cholelithiasis and Cholecystitis: Current Perspectives," Baltimore, MD, April 2005.
23. Invited Speaker, "Comprehensive Overview of GI Disorders in Prader-Willi Syndrome," National Prader-willi Syndrome Association Meeting, Orlando FL, July 2005.
24. Pediatric Grand Rounds, "Childhood Obesity: A Crisis in Health Care for the New Millenium," JHH Bayview, Baltimore, MD, December 2005.

25. Invited Speaker, "Identifying and Managing Obesity in Children," Advances in Pediatric Nutrition Course, Baltimore, MD, March 2006.
26. Pediatric Trends, "Pediatric Non-alcoholic Fatty Liver Disease," Baltimore, MD, April 2006.
27. Invited Speaker, "Update on Management Strategies for Pediatric Obesity," Pediatric Endocrinology for the Practitioner, Baltimore, MD, June 2006.
28. Invited Speaker, "Update on GI Disorders in Prader-Willi Syndrome," National Prader-Willi Syndrome Association Meeting, Buffalo, NY, July 2006.
29. Invited Speaker (along with Tommy Thompson, Anthony Fauci, Julie Geberding) on Pediatric Obesity for "Plain Talk about Health," television series. Episode taped September 21, 2006.
30. Invited Speaker, "Childhood Obesity: Management and Treatment Strategies," Pediatric Grand Rounds, St. Agnes Hospital, Baltimore, MD, March 9, 2007.
31. Invited Speaker, "Gastrointestinal Disorders in Prader-Willi Syndrome," National Prader-Willi Syndrome Association Meeting, Dallas, TX, August 2, 2007.
32. Invited Speaker, "Management of Obesity in Adolescents," Maryland Chapter of the American Academy of Pediatrics, Frederick, MD, October 30, 2007.
33. Invited Speaker, "Overview of Pediatric Hepatology," Medical Student Pathophysiology Course, Baltimore, MD, January 15, 2008.
34. Invited Speaker, "Bariatric Surgery in Adolescents," Pediatric Trends, Baltimore, MD, April 7, 2008
35. Invited Speaker, "Update on Medical Aspects of Prader-Willi Syndrome in the New Millenium," Baylor College of Medicine Genetics Symposia, Houston, TX, April 10, 2008.
36. Invited Speaker, "Pediatric Obesity," Pediatric Endocrinology for the Primary Care Clinician, Baltimore, MD, June 20, 2008.
37. Invited Speaker, "An Innovative, Research-Based, Multi-disciplinary Approach Targeting Pediatric Obesity: the Crisis for Health Care in the 21st Century". 13th Annual Health Management Congress, Orlando, FL, July 20, 2008.

Educational Activities

Teaching

Classroom Instruction

2000-2008: Year II Medical Students Pathophysiology Course, Pediatric Gastroenterology Case Discussion, Johns Hopkins School of Medicine, Baltimore, MD.

2001-2006: Year I Medical Students Nutrition Course, “Overview of Pediatric Obesity, Johns Hopkins School of Medicine, Baltimore, MD.

? Maternal Fetal Medicine Lecture Series, “Prader-Willi Syndrome,” Department of Obstetrics, Johns Hopkins School of Medicine, Baltimore, MD.

2000-2008: Year III Medical Student Pediatric Clerkship Lecture Series, “Gastroesophageal Reflux Disease,” Johns Hopkins School of Medicine, Baltimore, MD.

1996-2000: Year II Medical Students Lecture Series, “Gastroesophageal Reflux,” Baylor College of Medicine, Baltimore, MD.

1998-2000: Invited Speaker, Neonatology Lecture Series, “Neonatal Cholestasis,” Baylor College of Medicine, Baltimore, MD.

2008: Year II Medical Student Pathophysiology Course Lecture, “Comprehensive Overview of Pediatric Hepatology,” Johns Hopkins School of Medicine, Baltimore, MD.

Clinical Instruction:

1996-2000: Pediatric Liver Transplant Conference (1 hour weekly), Baylor College of Medicine, Houston, TX

1996-2000 Pediatric GI Journal Club 3 hours once a month

1996-2000: Pediatric Gastroenterology/Surgery Multidisciplinary Conference “Show and Tell” (1 1/2 hours weekly), Baylor College of Medicine, Houston, TX

1996-2000: Pediatric GI/Liver Pathology Conference (twice monthly), Baylor College of Medicine, Houston, TX.

1996-2000: Pediatric GI Research Workshop (twice monthly), Baylor College of Medicine, Houston, TX

1996-2000: Endocrinology Research Conference (twice monthly), Baylor College of Medicine, Houston, TX

1996-2000: Pediatric Grand Rounds (1 hour weekly), Baylor College of Medicine, Houston, TX.

1996-2000: Attending, Pediatric Gastroenterology, Nutrition and Hepatology Service, Baylor College of Medicine, Houston, TX. Floor rounds, didactic rounds, procedures; attending for resident, fellow, and medical student “bedside” clinical teaching and oversight.

2000-present: Attending, Pediatric Gastroenterology, Nutrition and Hepatology Division, The Johns Hopkins University School of Medicine, Baltimore, MD. Floor rounds, multidisciplinary conferences, didactic rounds, procedures for resident, fellow, medical student, nutritionist, pharmacist, nursing, “bedside” clinical teaching and oversight.

2000-2005: Attending, Feeding Disorders Program, Kennedy Krieger Institute, Baltimore, MD. Attended floor rounds, directed multi-disciplinary (resident, psychologist, psychology intern, occupational therapist, speech pathologist, social worker, nutritionist) patient rounds and patient conferences, provided “bedside” clinical teaching and oversight.

2001-present: Developed Pediatric Gastroenterology Fellowship Didactic Weekly Teaching Conference along with with Carmen Cuffari.

Clinical Instruction:

Fellowship training
Director- Noon Conference schedule
Nutrition Journal Club
IBD Journal Club
Fellow research oversight committee

CME Instruction:

Pediatric Trends
Pri-Med
Pediatric Endocrinology for the Practitioner
Moderator- Pediatric Clinical Trials Course
Moderator Pediatric Nutrition Course

Mentoring

Advisees:

Postdoctoral Fellows:

Present Position

Wikrom Karnsakul	1998-2000	Assistant Professor of Pediatrics, West Virginia School of Medicine, Morgantown, WV
Mohammed Miqdaddy-	1999-2000	Assistant Professor of Pediatrics, King Abdullah University Medical School, Amman, Jordan
Ryan Carvalho-	2003-2006	Assistant Professor of Pediatrics, Wright State University School of Medicine, Dayton, OH
Laurie Conklin	2005-2008	Post-doctoral Fellow, JHH
Anthony Guerrerio	2006-2009	Post-doctoral Fellow, JHH
